MINISTRIES**

FROM OUR MISSIONARY

Thank you for your faithfulness in your prayers and financial support for our work to those behind bars and Constantine (razor) wire. You have been our co-laborers since May 1993 when we became your missionaries to the prisons here in Tennessee.

My time is spent in our local jail, because of the Covid virus. 7 saved since January. I have spoken to some ex-inmates that are now pastoring, and some that are active laymen in their local church. We also minister to the staff, deputies and jailors. Our desire is that I will continue to have the health needed, to where I can continue to minister to both inmate and staff and that there will be fruit that will continue to remain.
