FROM OUR MISSIONARY

Greetings and blessings to all of you at Calvary Baptist from beautiful Guatemala.

Things have changed a lot. We are holding our meetings in the homes. We continue the work of soul winning and discipling with the COVID-19 threat hanging over us. Church-provided transportation is a continuing challenge.

Received another truckload of Bibles, and they are going fast to Independent soulwinning Baptist churches around the country. Contemplating a new work in an area about 25 km. away.

We thank God for the faithful people that God has given us here, and we thank you for allowing us to be your co-laborers here.
