FROM OUR MISSIONARY

As always, I want to personally thank you for your prayers and financial support. Our Holiday Season, which was anything but a holiday, was one of the busiest but best times for us to do ministry. We had well attended services and several extra opportunities to preach outside of the regularly scheduled Sunday and midweek services.

There were two occasions where a good number of unsaved heard the Christmas story with an invitation to pray for salvation. One of these was in a distant province in the home of a former church member. On this particular occasion, many said this was their first time to attend a church of any kind. Finally, the Sunday after the New Year, we had 3 baptisms.
