FROM OUR MISSIONARY

It's a privilege to be able to share this brief note to you as you have your Missions Conference. This is an exciting time, and I believe one of the most important times in the life of any church. I will be praying that as you hear the messages, the presentations, and the hearts of missionaries, God will speak to each of you and show the need around the world to reach people.

We are doing well here in Colombia even through this challenging time of Covid. It has been an interesting time for sure, but God has been good to us. We want to thank each of you for your gracious giving towards the missions program that allows us to live and serve here in Medellin, Colombia.
