Good Shepherd Children's Home

FROM OUR MISSIONARY

We could not continue the work here without people and churches like yours who are willing to be involved.

Our mission is to help children by providing hope and healing in a Christian environment, where they can develop academically, physically, socially, and most important, spiritually. Please keep us in your prayers during these difficult times in their lives. The Lord has truly blessed and continues to bless the ministry here, and we look forward with great anticipation to how He will continue to work. We greatly appreciate your thinking of the Good Shepherd Children's Home. We pray the Lord will bless you for the blessing that you have been to us. -Robert Brown, Director
