FROM OUR MISSIONARY

Thank you for your consistent support and prayers. God has continued to work even through a global crisis. He allowed us to start Calvary Baptist church of Kiambu county in August with 3 people including me. With government restrictions my family was not allowed to come. One of those in attendance was Harriet. She has been very faithful missing only a few services. This last Sunday, we had 40 in the service, Praise the Lord.

We look back very fondly of our time with you and thank God for you all. We are blessed to have such a great partnership as we have with you. It is an honor to be your extension here in Kenya. God still has a lot of work to do and we are grateful to be used by Him to do our part.
