### FROM OUR MISSIONARY

Still Waters Christian Boarding School is an affordable, conservative, Christian home that serves as a lifeline for parents whose child is sinking in the raging storm of life. We provide young people a safe, peaceful home atmosphere staffed by trained Biblical counselors and educators, offering youth opportunities to discover, or to recover, their proper course in life.

Located in the back country we are a bit removed from the chaos of the fast-paced life that is so tragically claiming the lives of so many young people today. A beautiful private lake for fishing, swimming, and wandering the water banks, unwinding from the destructive burdens that are stealing their peace, joy and happiness.
