FROM OUR MISSIONARY

This week the state of São Paulo went to red for covid but we are not reducing the number of people in our public services.

Since the start of the new year, Dawn plus I have taken over the responsibility for the teen department of our church. This past Saturday we had eighteen teens helping with our first car wash in 2021 to help raise money to hold our first teen conference (July). The teen Sunday school classes are being held in our home until the church moves to it's third rented location since 2015.

Pray with us that we will be able to help the young people of our church to know how to win their family, friends, classmates, and coworkers to Christ and to help them grow spiritually.

ABOUT OUR MISSIONARY

- Years on field: 17 years
- Years supported by CBC: 21 years

PRAYER REQUESTS

- Dawn's health concerning her Thyroid
- Zachary's home schooling
- Strength and wisdom as we serve Him
- Van for bringing families to church
- Move to third rented building in March 2021
