FROM OUR MISSIONARY

We were blessed to have been able to visit your church and meet so many of you for the first time during our short furlough in July 2020. We appreciate the faithful support you have given us through years and for all the prayers you have offered for us and our ministry. Believe me they do make a difference.

We would like to invite you to come and be part of the mission field. Not only will it be a blessing to us, but each group that has come has also been blessed in a special way. May the Lord bless your Missions Conference and may much fruit be added to your account because of having it.
